

Buprenorphine Test for UR Medicine Emergency Departments

Date: November 15, 2018

Effective Date: December 19, 2018

A new screening test for buprenorphine will be available in the SMH laboratory to support **Strong Memorial Hospital, Highland Hospital, and Strong West Emergency Departments**. Results will be available within 4 hours (routine) or 90 minutes (STAT). Confirmation testing for positive screens, if required, will be sent to a reference laboratory with a turnaround time of 1-4 days (performed Sun-Sat).

Notes:
