

News You Can Use February, 2024

National Phlebotomists Recognition Week: To acknowledge the hard work done by these outstanding healthcare providers, the Registered Phlebotomy Technicians (RPT) and American Medical Technologists (AMT) have designated **February 12th-16th, 2024**, as National Phlebotomists Recognition Week. Thank you to all phlebotomists, especially to our staff for all they do.

UR Medicine Labs 2024 Client Survey – Your Feedback Matters!: The survey will close February 12th, 2024 – please share your opinion!

Go to: www.urmedicinelabs.org and find the “UR Medicine Labs 2024 Client Survey” on the “Health Care Providers Page” or follow this link: [URMC Labs: Clinical Laboratory Services - University of Rochester Medical Center](https://www.urmc.rochester.edu/pathology-labs/news/technical-bulletins.aspx)

This survey is intended for office managers, nurse’s/nurse managers, physicians and practice managers, as well as any other staff members who have significant interaction with lab services.

When you complete the survey, you will be entered into a drawing for a chance to win great prizes!

Reminder: Label Specimens and Requisitions Appropriately: Specimens and requisitions with any identification discrepancies must be re-collected; correction of discrepant information will not be allowed.
