Streptolysin O Antibody (ASO): Temporary Change to Turn-around Time

Date: 08/03/2021

Effective Date: 08/02/2021

Due to a testing kit shortage, serological testing for Streptolysin O antibodies will move from being tested internally to being performed at ARUP Laboratories. Testing will resume at the Central Laboratory immediately upon kit delivery.

ARUP Reference Interval:

0-1 year: 0-200 IU/mL

2-12 years: 0-240 IU/mL

13 years and older: 0-330 IU/mL

Test info:

Test code: ASOS (remains unchanged)

Resulting: All ARUP results will be quantitative

Specimen: 1 ml serum (0.4 ml minimum)

Turn-around time: 1-2 days

Please contact Lindsay Ryan (Serology Supervisor), with any questions.
